SAFETY PRODUCTS

Did you know we sell...

SOLID COLOR FLOOR TAPE

7 times thicker than the average floor tape. 50 mil thickness with beveled edges. Peel and stick adhesive that removes with minimal residue for easy clean up. Assorted colors, available in 2-inch, 3-inch, 4-inch, and 6-inch sizes.

DIAGONAL HAZARD FLOOR TAPE

The diagonal floor tape is great for marking off caution zones, hazards, and other extra dangerous areas in your facility or warehouse.

PEDESTRIAN BARRIERS

These barriers withstand impact and harsh weather conditions. They come in various designs, including bollards, guardrails, and fencing, to suit different environments and aesthetic preferences.

TOPPLE BARRIERS

Designed to prevent the accidental toppling of equipment, materials, or structures in various settings, including warehouses, and industrial facilities.

RACKGUARD

RackGuard™ is designed to protect rack legs and uprights from front, side and scrape impacts by workplace vehicles.

COLUMN PROTECTORS

The Padded Column Protection provides additional cushioning from sharp edges and rigid structures such as steel columns and other metal posts.
